

Enjoy the Brazilian game played in gyms and playgrounds all over the world. Develop ball handling and foot skills unique to Futsal.

Futsal has 5 players on a team (including the goalkeeper) and is played on a small field the size of a basketball court with lined boundaries and no walls. It is a complete skill game and effectively develops the fundamentals of soccer.

Futsal is suited for teaching control, technique, passing, and creativity. Youth players develop quick reflexes, fast thinking and pinpoint passing with opportunities for many touches and quick shooting.

The Brazilians Pele, Zico, Ronaldinho, Romario, Kaka and others grew up playing Futsal and credit Futsal with developing their soccer skills. Futsal is the only indoor soccer game recognized by FIFA.

This Winter Futsal program is an open format with players training together and playing games. Team assignments are flexible and will encourage adjustments for skill level, desired competition and enjoyment.
